14 UNITED STATES OF AMERICA,

15 Plaintiff,

16 vs.

17 STEPHEN HOUSE,

18 Defendant.

Case No.: CR.S-05-178 EJG

STIPULATION AND ~~[PROPOSED]~~
ORDER CONTINUING JUDGMENT
AND SENTENCING AND RELATED
DATES

C/ESTO

19 IT IS HEREBY STIPULATED between the Defendant, Stephen
20 House, through his counsel Clyde M. Blackmon, and the United
21 States of America, through its counsel Assistant United States
22 Attorney S. Robert Tice-Raskin, that the imposition of judgment
23 and sentence in this matter be continued from June 16, 2006 to
24 July 28, 2006 at 10:00 a.m. before the Honorable Edward J.
25 Garcia and that the schedule for disclosure of the presentence
26 report and for filing of objections to the presentence report be
27 amended as set forth on the attached Exhibit A.
28

1 The primary issue left for resolution in this case pertains
2 to the amount of loss for which Mr. House will be held
3 responsible. The probation officer, Linda Alger, has calculated
4 the loss at over eight million dollars. Most of the total loss,
5 over six million dollars, is claimed by one victim of Mr.
6 House's conduct, National West Manufacturing, Inc. National
7 West has provided documentation to the probation officer which
8 it contends supports it's claimed loss. That documentation has
9 recently been provided to counsel for Mr. House. It is now
10 necessary for the defense investigator to review that
11 documentation and go over it with defense counsel. Once that is
12 done, it is anticipated that defense counsel, counsel for the
13 government and Ms. Alger will meet and attempt to resolve the
14 issue. The scheduling of that meeting is complicated by the
15 fact that counsel for the government, Mr. Tice-Raskin, is about
16 to commence the re-trial of a case which will prevent him from
17 devoting any substantial time to Mr. House's case until at least
18 the end of June.

19 The parties are making good faith efforts to resolve the
20 loss issue. They believe that a continuance of the judgment and
21 sentencing date will enhance the possibility of resolution of
22 the matter or at least result in a narrowing of the issues to be
23 addressed at a contested evidentiary hearing.
